Пособие содержит 3000 примеров на повторение и закрепление фонетического, лексического и грамматического материала, изучаемого на уроках английского языка в 4 классе.

Материал подобран таким образом, что может использоваться как в общеобразовательных школах, так и в классах с углубленным изучением английского языка.

В каждом упражнении материал построен по принципу: от простого к сложному. Выполнение заданий помогает выработке автоматизма на раннем этапе изучения.

Пособие можно использовать в качестве дополнительного материала на уроках английского языка, а также для работы дома. Целесообразно обратиться к нему и в летние каникулы для повторения пройденного и облегчения перехода к изучению нового материала.
